

August 19, 2022

Dear Drew Parents/Guardians:

The TOUR Championship begins next week at the East Lake Golf Club. This event is the East Lake Foundation's signature "Golf with a Purpose" Event. Proceeds from the annual event support numerous East Lake community programs and provide funding for initiatives benefiting Drew Charter School and our students.

Parking passes will be distributed at the JA/SA Campus during morning and afternoon carpool hours starting Monday, August 22nd. Please display your parking pass on the front left dashboard of your vehicle beginning Wednesday, August 24th.

Also, please note that you will not be able to enter the JA/SA Campus via Eva Davis Way on Wednesday or Thursday, August 24th through August 25th. On these days, the 2nd Avenue/Alston Avenue campus gate will be the only entrance open to the JA/SA Campus for use by Drew families and staff.

Once you have entered the JA/SA campus to drop off or pick up your JA/SA student(s), you must proceed around the circular grass island and circle back to 2nd Avenue to exit at the Alston Ave/2nd Ave campus gate.

Traffic congestion is anticipated because Drew's JA/SA campus will serve as parking for Drew Staff and the TOUR Championship. To hopefully ensure that the drop-off/pick-up experience of your JA/SA student is as smooth as possible, please adhere to the following information on Wednesday and Thursday:

- Parents with EA students will not be allowed to park on the JA/SA campus and walk EA students down the hill to the EA Campus.
- Parents with students at both campuses should consider dropping off their JA/SA student(s) at EA and having them walk up the hill.
- Parents living near campus are encouraged to walk their students(s) to school.
- Parking at the JA/SA Campus is for Drew staff and authorized TOUR Championship patrons only.
- Lastly, if possible, please allow extra time for your commute to campus.

As a reminder, the campus will be closed to students on Friday, August 26th, so students should plan to work independently at home.

Thank you in advance for your cooperation and patience with navigating traffic. Our support of the TOUR Championship ultimately comes back to us through the East Lake Foundation's ongoing generosity to Drew based on funds generated through this event.

For the Love of Drew,

Peter McKnight
Head of School
